PV Sindhu creates history

by winning bronze medal, becomes first woman athlete to win two medals in Olympics

— Vaishali Tyagi (Team Delhi Today)

Indian star shuttler PV Sindhu created history by conquering the bronze medal in the badminton women's singles category at the Tokyo Olympics-2020. She has not only become the first shuttler in badminton history to win two medals for India, but also the first female athlete to do so in an individual sport. She has become second athlete to do so in overall individual games after Sushil Kumar. Earlier, she had won a silver medal in the Rio Olympics.

Sindhu performed brilliantly in the bronze medal match to beat China's Bing Xiao 2-0 in two straight games in 53 minutes. She won the first game 21-13 and created history by winning the second game 21-15. She had lost to Tai Tzu Ying in the semi-finals and missed her chance to upgrade her medal. But after that she performed brilliantly in the bronze medal match.

FIRST GAME: SINDHU'S TREMENDOUS GAME

The Indian star shuttler started well here as in the earlier matches. Immediately took a 3-0

lead then 5-3. But Chinese Shutler bounced back and forced Sindhu to make some mistakes in the nets. The score was tied at 6-6. From here both the players fight for one point each.

After this, a robust rally was also seen, in which Sindhu took a 10-8 lead to her name with a brilliant solid smash. By the break, Sindhu was leading with 11-8. Returning to the court after the break, Sindhu made great use of crosses and smashes to take the lead to 17-11 and later she won the first game 21-13.

SECOND GAME: WHEN WALL OF CHINA COLLAPSED

The second game started almost like the first game. Sindhu first took a big lead of 3-1, 5-2 and then 8-3. During this, Sindhu's spin, cross and smash shots were worth watching. The Chinese opponent was trying her best to make a comeback, but Sindhu had expressed her

intentions to lead 11-7 at the break. After this, she did not just win the bronze medal by finishing second game with 21-15 but also created history.

IIA दिल्ली के पास सड़क का एक हिस्सा जमीन में धसां रोड ट्रैफिक डायवर्ट किया गया, राष्ट्रीय राजधानी में महीने की दूसरी ऐसी घटना।

— वैशाली त्यागी (Team Delhi Today)

हौज खास इलाके में आईआईटी दिल्ली फ्लाईओवर के नीचे सड़क का एक हिस्सा जमीन में धंस गया, जिससे एक बड़ा गड्ढा बन गया। कुछ दिनों पहले भी दिल्ली के द्वारका में भारी बारिश के कारण सड़क धंस गई थी।

नई दिल्ली: ट्रैफिक पुलिस ने द्दित कर बताया, "IIA रेड लाइट के पास रोड धंसने से अधचीनी से IIA जाने वाले ट्रैफिक को अधचीनी से कटवारिया सराय की तरफ डाइवर्ट कर दिया गया है। कृपया इस मार्ग के प्रयोग से बचें। भारतीय मौसम विज्ञान विभाग (IMD) के अनुसार, शनिवार सुबह 8.30 बजे तक शहर में औसतन 43.6 मिमी बारिश हुई है।

मौसम विभाग ने कहा कि आने वाले दिनों में मध्यम बारिश की संभावना है। आईएमडी ने शुक्रवार को ऑरेंज अलर्ट जारी किया था, जिसमें शनिवार को मध्यम बारिश की भविष्यवाणी की गई थी और राष्ट्रीय राजधानी के निचले इलाकों में संभावित जलभराव और बड़े यातायात व्यवधान की चेतावनी दी गई थी।

विभाग ने रविवार के लिए येलो अलर्ट और सोमवार के लिए भी ऑरेंज अलर्ट जारी किया है।

इसी महीने में कुछ दिनों पहले, राष्ट्रीय राजधानी में भारी बारिश के कारण द्वारका के सेक्टर 18 में एक सड़क का एक हिस्सा टूट गया और एक ट्रैफिक पुलिस कांस्टेबल की कार वहीं फंस गई। पुलिस के अनुसार घटना द्वारका के अतुल्य चौक पर घटित हुई।

वाहन दिल्ली यातायात पुलिस में एक कांस्टेबल का था। उसे वहां से सुरक्षित बचा लिया गया और घटना के दौरान कोई घायल नहीं हुआ। बाद में कार को हाइड्रो क्रेन की मदद से गड्ढे से बाहर निकाला गया।

दिल्ली शहर में लगातार हो रही बारिश के कारण कई सड़कों पर जलभराव और ट्रैफिक जाम हो गया और रिंग रोड, प्रगति मैदान, पालम, किरारी और रोहतक रोड जैसे कुछ हिस्सों में भी जलभराव की समस्या पाई गई।

'रेलवे ब्रिज के नीचे प्रहलादपुर पुल में जलभराव की सूचना दिल्ली ट्रैफिक पुलिस ने एक ट्वीट में दी और कहा कि ट्रैफिक को एमबी (महरोली-बदरपुर) रोड से मथुरा रोड की ओर डायवर्ट किया गया है। दिल्ली में मौसम के दौरान मिलेनियम पार्क के पास, सराय काले खां, किलोकरी, आईपी फ्लाईओवर के पास, धौला कुआं, विकास मार्ग, आजादपुर सहित अन्य जगहों पर भी ट्रैफिक स्लो रहता है।

How do we know whether & when to build a House?

Planet Shani is representative of house & whether to build/ purchase or not & whether it will be lucky for you or not & when to build it is all seen by position of Shani in your Birth Horoscope

Shani House No 1:

If Shani is placed in House No 1 in your birth horoscope, then after building house the persons business gets destroyed. If Shani is placed in House No 1 and also House No 7 & House No 10 are empty in your natal chart, then person can build a House. Avoid purchasing an independent house. Such person can purchase a made flat but don't construct a flat yourself

Shani House No 2:

If Shani is placed in House No 2 of your birth horoscope, then person should carry on building a house but not stop work in between else it will create obstacles for his life. Person with this placement can also purchase ready-to-move in constructed House or Flat

Shani House No 3:

Person having Shani placed in House

No 3 in birth horoscope can only build or purchase a house if he serves 3 dogs daily. As a substitute remedy person can also keep 3 dogs made of mud in his house which will help him to purchase or build his own house

Shani House No 4:

Person having placement of Shani in House No 4 can purchase an already constructed House. However, if he takes plot & then digs the foundation then as he digs foundation his Mother in law or Maternal Uncle's family will start having problems & affect them badly

Shani House No 5:

Person having placement of Shani in House No 5 in birth horoscope should not build or purchase his house before 48 years of age else it will badly affect his Son. If still a person has to purchase a house before 48 years with this placement of Shani in birth horoscope, then person should make a Buffalo calf room in his house and then leave the

calf across the border of city where native lives. This will reduce bad effects to native's son

Shani House No 6:

Person having placement of Shani in House No 6 in birth horoscope should build or purchase his own house only after 39 years of age. If native purchases or builds house before 39 years of age, then relatives of native's daughter shall be badly effected

Shani House No 7:

Person having placement of Shani in House No 7 in birth horoscope can build or buy more than one house/s for him, this shall always prove lucky

Shani House No 8:

Person having placement of Shani in House No 8 in birth horoscope should not build or purchase a house till 48 years of age else there are chances of death in family after buying the house. However if Ketu is in initial houses followed by Shani & then Rahu in the natal chart then native can build or purchase a house.

Shani House No 9:

Person having placement of Shani in House No 9 in birth horoscope should not start making a house or purchasing a house in that year in which native's wife is pregnant. Also such native

should avoid making or purchasing more than 2 houses or flats else when native makes or buys 3rd house then there are chances it may lead to death of native

Shani House No 10:

Person having placement of Shani in House No 10 in birth horoscope should not purchase house in his/her own name. If such native does not purchase or build a house, then God showers him/her with lot of money but as & when native builds or purchase house then income stops at that very moment

Shani House No 11:

Person having placement of Shani in House No 11 in birth Horoscope does not get chance to build or buy house before age of 55 years. Native generally builds or buy house only after 55 years. If Native by chance builds or purchases house before 55 years, then there shall be lot of obstacles faced by native. If Native builds or purchase house having South facing entrance, then death occurs of native after long disease.

Shani House No 12:

Person having placement of Shani in House No 12 in birth horoscope can buy or purchase more than one house & all of them shall be profitable for native

द्वारका - ढांसा बस स्टैंड कॉरिडोर पर आने वाले स्टेशन को आकर्षक कलाकृतियों और तस्वीरों से सजाया गया है, जो राष्ट्रीय राजधानी के इस उपनगरीय इलाके की समृद्ध विरासत, संस्कृति, वनस्पतियों और जीवों को प्रदर्शित करते हैं।

नई दिल्ली: दिल्ली मेट्रो की ग्रे लाइन पर ढांसा बस स्टैंड मेट्रो स्टेशन की दीवारों पर कलाकृति पैनलों के माध्यम से नजफगढ़ क्षेत्र की विरासत, संस्कृति और जैव विविधता को प्रतिबिंबित किया जाएगा। ग्रे लाइन के विस्तार पर बने ढांसा बस स्टैंड मेट्रो स्टेशन के जल्द शुरू होने की उम्मीद है। मेट्रो रेल सेफ्टी कमिश्नर (CMRS) से अनिवार्य मंजूरी मिलने के बाद 1.8 किलोमीटर लंबा नजफगढ़- ढांसा बस स्टैंड कॉरिडोर अब परिचालन के लिए तैयार है।

उन्होंने बताया कि कॉरिडोर खोलने की सही तारीख के बारे में जल्द ही सूचित किया जाएगा। 4.2 किलोमीटर से अधिक की ग्रे लाइन (द्वारका-नजफगढ़ कॉरिडोर) के इस विस्तार से नजफगढ़ के आसपास के आंतरिक क्षेत्रों के निवासियों को अत्यधिक लाभ होगा।

नजफगढ़ ढांसा क्षेत्र में गहरी सांस्कृतिक जड़ें हैं

द्वारका - ढांसा बस स्टैंड कॉरिडोर पर आने वाले स्टेशन को आकर्षक कलाकृतियों और तस्वीरों से सजाया गया है, जो राष्ट्रीय राजधानी के इस उपनगरीय इलाके की समृद्ध विरासत, संस्कृति, वनस्पतियों और जीवों को प्रदर्शित करते हैं। "दक्षिण-पश्चिम

दिल्ली के नजफगढ़ ढांसा क्षेत्र में गहरी सांस्कृतिक जड़ें हैं। यह इतिहास में समृद्ध है और एक दलदली पारिस्थितिकी तंत्र का भी घर है जो प्रवासी पक्षियों की यात्रा और स्थानीय वन्यजीवों के उत्कर्ष को प्रोत्साहित करता है। जिन्हें यहाँ लगी कलाकृतियों और फोटोग्राफिक प्रदर्शनों ने दर्शाने की कोशिश की है जो इस क्षेत्र की अनूठी विशेषताएं हैं", - एक वरिष्ठ अधिकारी ने बताया।

'झील', - नजफगढ़ और ढांसा के बीच स्थित एक जल निकाय है, जो बड़ी संख्या में बारहमासी स्थानीय वन्यजीवों और प्रवासी पक्षियों के लिए एक पारिस्थितिक स्वर्ग है। तोते, चील, बतख, गौरैया, किंगफिशर इस क्षेत्र में रहते हैं और सर्दियों में पक्षी देखने वालों के लिए एक अलग ही एहसास होता है। डीएमआरसी ने एक बयान में कहा कि स्टेशन पर मुद्रित कांच के पैनलों पर तस्वीरें इस क्षेत्र की समृद्ध जैव विविधता को दर्शाती हैं और इसे 'प्रवासी पक्षी' के रूप में थीम दिया गया है।

अधिकारियों ने कहा कि कृषि और पशुपालन स्थानीय लोगों के लिए आय का मुख्य स्रोत है, लेकिन रियल एस्टेट परियोजनाओं का भी आर्थिक प्रगति में महत्वपूर्ण योगदान है।

आसपास के गांव हैं अपनी लोककथाओं के लिए प्रसिद्ध ग्रामीण और शहरी मूल्यों को साथ दिखाने के लिए स्टेशन के रंगों की थीम को मिट्टी और बोल्ट रखा गया है। स्टेशन पर हाथ से पेंट की गई कलाकृतियाँ भी लगाई गयी है जो को निवासियों को उनके मूल्यों के सार का सम्मान करने के लिए प्रेरित करती है और इसकी थीम 'ग्रामीण के किनारे -शहरी प्रगति' रखी गई है।

इस क्षेत्र के आसपास के गांव अपनी लोककथाओं के लिए प्रसिद्ध हैं। गांव अपने ऐतिहासिक महत्व का जश्न

मनाने के लिए मेलों की मेजबानी करते हैं। स्थानीय लोग प्राचीन मंदिरों के आसपास प्रार्थना करने और एक समुदाय के रूप में जुड़ने के लिए इकट्ठा होते हैं। दंतकथाओं ने इस क्षेत्र को एक विशिष्ट पहचान दी है। इसलिए, कुछ हाथ से चित्रित कलाकृतियाँ इस समृद्ध भावना और स्थानीय मूल्यों के उत्सव से प्रेरित हैं और 'स्थानीय सामाजिक-सांस्कृतिक परिदृश्य' के रूप में थीम पर आधारित हैं

डीएमआरसी के वास्तुकला विभाग द्वारा तैयार की गई कलाकृतियाँ उन्होंने कहा कि कुछ कलाकृतियाँ मेलों के दृश्यों को दर्शाती हैं, जबकि कुछ स्थानीय डिजाइनों और रूपांकनों के साथ उत्सव की भावना को प्रदर्शित करती हैं।

स्टेशन से गुजरने वाले यात्रियों के लिए कलाकृतियाँ आकर्षक और लोगों के मन में रुचि पैदा करने वाली होंगी। डीएमआरसी ने कहा कि यात्रियों के अनुभव को बढ़ाने के लिए कला कार्यों को खूबसूरती से पेश किया गया है। इसमें कहा गया है कि डीएमआरसी के वास्तुकला विभाग

एसडीएमसी ने द्वारका में रेन वाटर हार्वेस्टिंग पार्क का उद्घाटन किया

यह पार्क - बागडोला गांव में 2.46 एकड़ में फैला हुआ है और इसे 'जल शक्ति पार्क' नाम दिया गया।

— वैशाली त्यागी (Team Delhi Today)

नई दिल्ली: पहली बार, दक्षिण दिल्ली नगर निगम (एसडीएमसी) ने दक्षिण-पश्चिम दिल्ली के द्वारका में वर्षा जल संचयन के लिए एक पार्क का उपयोग किया है, शुरुआत में इसमें सूखे तालाब को पास के सीवेज ट्रीटमेंट प्लांट (एसटीपी) से जोड़कर फिर से जीवंत कर दिया है।

यह परियोजना प्रधान मंत्री की प्रमुख जल शक्ति अभियान जल संरक्षण योजना के तहत की गई थी। यह पार्क - बागडोला गांव में 2.46 एकड़ में फैला हुआ है और इसे 'जल शक्ति पार्क' नाम दिया गया - जिसे बुधवार को जनता के लिए खोल दिया गया है।

नगर निकाय के हार्डिकल्चर विभाग के अनुसार, पार्क और जल निकाय का उपयोग अब वर्षा जल संचयन के लिए किया जाएगा।

"जल शक्ति

अभियान के अनुसार, हमारा लक्ष्य पुरे वर्ष इस पार्क और वॉटर बॉडी में वर्षा जल का संरक्षण करके पूरे वर्ष इसमें पानी बनाए रखना है। यह ग्राउंडवाटर एक्वीफर्स को रिचार्ज करने में मदद करेगा। इस क्षेत्र में जल स्तर पहले से ही कम है और इस तरह के निरंतर प्रयासों से ग्राउंडवाटर के स्तर को बढ़ाने में मदद मिलेगी", परियोजना का प्रबंधन करने वाले निगम के एक वरिष्ठ अधिकारी ने बताया।

एसडीएमसी के नजफगढ़ जोन के अंतर्गत द्वारका के सेक्टर 8 में स्थित पार्क का उद्घाटन दक्षिणी दिल्ली के सांसद रमेश बिधूड़ी, दक्षिण

निगम के महापौर मुकेश सुर्यान और दिल्ली भाजपा अध्यक्ष आदेश गुप्ता ने किया।

बिधूड़ी जी ने कहा कि यह एक कम लागत वाला इंटरवेंशन है जो चैनल के पानी को उथले जलभृत प्रणाली में वापस लाने और भूजल तालिका को फिर से भरने में मदद करेगा।

New Delhi: 99.37% students have passed in CBSE's 12th result on Friday. This is the highest ever pass percentage, which is 10.59% higher than last year. In the year 2020, 88.78% students passed. Girls have won for the 6th time in a row. Their result was 0.54% more than boys. Last year, however, the difference was more than 6% and 70,004 students secured more than 95% marks. At the same time, those who got marks between 90-95% were 1,50,152. This time, 6149 students have been kept in the

compartment category. Their result will come on 5th August.

Result from assessment scheme for the second consecutive year

In view of Corona, CBSE had also cancelled the 12th exams this year and prepared results on the basis of an assessment scheme for the second consecutive year. In this, marks were given to the students on the formula of 30:30:40. In this scheme, 30-30 percent weightage was given to the final result of 10th-11th each and 40% weightage was given to the pre-board exam of 12th.

Thiruvananthapuram stood first

As per the region wise result in pass percentage, Thiruvananthapuram (99.89%) stood first. It was followed by Delhi West (99.84%), Delhi East (99.89%), Bengaluru (99.89%), Chennai (99.89%)

and Panchkula (99.89%).

PASS PERCENTAGE

- 70,004 students got more than 95% marks, out of which 129 students with disabilities had more than 95% marks of 38,686 in the year 2020.
- 1,50,152 students scored between 90 to 95%, last year 1.57 lakh students remained like this.
- 100% result for the students of Kendriya Vidyalayas and Central Tibetan School Administration, Transgender students also all pass.
- Navodaya School is second with 99.94% pass percentage, government school at number three with 99.72% result.
- With 99.84% results, Delhi region ranked fourth, Thiruvananthapuram topped with 99.89% results.

6.88% decrease in compartment cases

The Class 12 result with Covid-19 has been special. While the pass percentage has increased by 10.59%, the number of compartment students has decreased by 6.88%. This year only 6149 students have got compartment in class 12, whereas last year this number was 87651 students (7.35%). These students have failed in one or more subjects.

Compared to 2020, 6.88% less students will give the compartment exam. At the same time, there were 99207 (8.23%) such students in 2019.

100% result of 875 schools in Delhi government schools

The result of government schools in Delhi is 99.96%. Last year the pass percentage was 97.92%. Out of these 875 schools have got 100% results. At the same time, 885 students have scored 95% and above. On Friday, along with CBSE results, the results of 909 government schools in Delhi were released and the results of 13 schools are yet to be declared. It was told by the government that the result of 158640 students has come, out of which 158571 students have passed. 5 students have failed and 64 compartments have come. The quality index stood at 350.76.

Students with above 95% marks increased

CBSE 12th class result has gone up a lot as well as students with more than 95% marks have also increased. This time the number of students who have scored 95% and above is 70,004 i.e. 5.37% students have got this score. Last year this number was 38,686 (3.24%). At the same time, the number of students who get scores between 90% and 95% is 1,50,512 i.e. 11.51% students are included in this. This figure

may increase even more, because CBSE has not yet declared the results of more than 65 thousand students out of 14.3 lakh. It will come by August 5. This time 14,30,188 children were registered for class 12 in CBSE schools. Out of these 13,69,745 are regular students.

Delhi region result up by 5.45%, 99.84%

Along with the good results of CBSE, the result of Delhi region has also been good. The result of the Delhi region has gone up by 5.45% as compared to last year. This time the pass percentage of students is 99.84%, compared to 94.39% last year. This also includes foreign students. Out of all the 16 regions, Delhi West and Delhi East have the fourth and fifth pass percentages. However, the pass percentage of both is only 99.84%. CBSE also

counts foreign students in the Delhi region. Out of 2,91,606 students of Delhi region, 2,91,135 students have passed. At the same time, if foreign students (17,016) are removed, then 2,74,590 students of Delhi are left. Of these, 27,413 have passed i.e. 99.833%. At the same time, out of 17,016 foreign students, 17,003 have passed (99.92%).

Another chance for disgruntled students

For the students who are unhappy with the result, CBSE will conduct the optional exam. In this regard, the board had informed the Supreme Court that these examinations will be taken between August 15 and September 15 when the situation becomes normal. For this, the board will provide the facility of online registration to the students on cbse.nic.in.
